City of Vernon Health Department - INFORMATION SHEET

Minimum Toilet Requirements: Restrooms shall have wall mounted dispensers with toilet paper, soap and towels. Flushing toilets and running water are required!

-Separate restrooms for men and women

-1 toilet and 1 lavatory for first 10 employees of each sex

-Add 1 lavatory for every 10 additional employees of each sex

-Add 1 toilet for the next 15 employees of each sex

-Add 1 toilet for every 25 additional employees of each sex

If facility **does not** have adequate restrooms available, portable trailers with flushing toilets and running water shall be provided.

Hazardous Materials/Wastes Permitting: The use of hazardous materials and/or generation of hazardous wastes, greater than five liquid gallons, may require a permit. Documentation of proper use and removal of materials/wastes used on the set may exempt the permitting requirement. No staining or residual materials shall be left on-site upon completion of filming permit and closure of hazardous materials permit.

Food and Catering Service: All Food/Catering vehicles must have a current permit to operate. A Los Angeles County health permit may be honored as long as it is current, and the vehicle has been inspected within the last 90 days. Submit a copy of the public health permit, documentation of food handler certification, and a copy of the last inspection conducted. If no inspections have been conducted within the last 90 days, one must be scheduled!

- **Special Note**: "Craft" services do not require a Food/Catering permit if they only offer individual pre-packaged food items in original containers (e.g. chips, candy, soda, nuts, donuts, gum, etc.) and coffee. No food assembly (sandwiches) is permitted! No storage or distribution of potentially hazardous foods (meats, fish, poultry, or dairy products) is permitted without a Food/Catering permit.

- Food/Catering Services shall follow common methods necessary to protect foods from possible contamination (maintain proper food temperatures, keep prepared food items covered, use sneeze guards, etc.) while preparing, storing, and serving foods.

CITY OF VERNON

HEALTH DEPARTMENT FILMING REQUIREMENTS

The City of Vernon Health Department is responsible for the health and public safety of its visitors and citizens. Production companies must comply with all codes governing food service, hazardous materials and all health standards in providing the appropriate number of restrooms, and sanitary conditions.

All service providers must display a current City of Vernon Health Permit, documentation of food handler certification for food handlers working at the filming site as well as a copy of the most current routine inspection report conducted by the City of Vernon for the food provider. Food Vendors without valid documentation must apply for a new Vernon Health Permit with Vernon City Hall. Annual or one day permits are available. Additional items may be required at that time.

The following guidelines will be evaluated when reviewing a permit application for approval. Health Department forms will be attached to the application by a FilmLA coordinator for Health Department review and approval, as part of the process to obtain a permit approval for filming.

Restrooms: Adequate restrooms shall be provided or made available to facilitate the crew on site within 200 feet of the food service. Any additional mobile trailers used must have water for hand washing. "Port-a-potties" are not allowed.

Solid Waste & Trash: All solid waste and trash generated shall be properly removed and disposed of. Any debris generated from the building of sets, shall be recycled whenever possible.

Food Service: All food facilities serving food shall obtain a valid Food Health Permit prior to serving food. If a mobile food facility or mobile food preparation unit is used, it must first pass inspection at the City of Vernon. Please allow enough time for this process, in advance of the scheduled filming time. Call the department for details. Only a health permit from the City of Vernon is valid. No other jurisdiction's permit is valid within the City of Vernon. A copy of the current local health permit shall be submitted along with a copy of the latest routine inspection report, a copy of the commissary health permit and last routine inspection conducted within the previous 90 days, the Food Handlers/Managers Certification for the "person-in-charge" food worker and a copy of the proposed menu. Also include a map/sketch of the area showing where the food service will be located, and indicate the distance from approved restroom facilities. Please also provide a description of how the food will be prepared and served. Please note that buffet style will require the use of sneeze guards. If you are using local restaurants to supply limited food service, please provide the name and address of facility to be used.

Craft Service: A health Permit must be obtained for all food service. Provide a name and telephone number of the company/person providing service. Craft services are restricted to serving non-perishable, single service, individually wrapped and labeled foods. No food preparation is permitted (sandwiches, smoothies, etc.) A description of the food service process/procedures must be included.

Hazardous Materials: No hazardous materials or wastes shall be used or generated unless approved by this office in advance. A local permit allowing use of hazardous materials must be obtained prior to approval.

Film permits that address each concern in the manner specified are given approval by our department. Film permits not requiring any of the specified items must state that they believe they are exempt and explain why they are not required to obtain the health permit for the specified area.

Police Security Service Rates

August 28, 2008

Per City Resolution #7141, the following is a rate structure for all productions that require Police Officers for security when filming in the City of Vernon. A minimum of two officers shall be assigned to each filming location for a minimum of an eight-hour shift. The City Administrator or designee will determine if additional officers will be needed for security services at the time the filming permit application is submitted.

$65.00 per hour (straight time) first 8 hours
$97.50 per hour (time and a half) after 8 hours
$130.00 per hour (double time) after 12 hours

A minimum of 12-hour notice is required for any cancellation. If filming is cancelled with less then a 12-hour notice, the officers assigned will be compensated for 4 hours at $65.00 per hour rate.

The Police Officers will be on duty at the filming start time and will conclude when the filming is completed. The assigned Police Officers shall get paid through lunches and/or dinners.

SANTA MONICA MOUNTAINS FILMING GUIDELINES

GENERAL CONDITIONS:

1. At any time, the Director of Regional Planning may determine that any filming activity requires a use permit when the unique circumstances of a filming event have the potential for development, grading, construction, or significant adverse impacts on coastal resources or public access.

2. If substantial changes to filming activities occur after initial approval from FilmLA, the filming event shall be subject to further review and approval by FilmLA and/or Regional Planning and may also be required to obtain a use permit for such activities.

3. The construction or creation of new access-ways, driveways, bridges, water-crossings, roads, or paths is prohibited. Digging, grading, or removal of dirt, sand, or earth is prohibited. The dumping of fill dirt, sand, or other material is also prohibited. A Dust Mitigation plan must be prepared and implemented to control fugitive dust, such as from travelling vehicles, etc.

4. The construction or placement of any permanent structures, sets, and props requiring a foundation or footing such as concrete, gravel, or fill material is prohibited. There shall be no splicing of power lines.

5. The removal, trimming, damage, or destruction of any vegetation or trees, including dead vegetation and trees is prohibited.

6. In undisturbed vegetated areas, the following activities are prohibited: Parking of vehicles and trailers, Storage of equipment, Placement of tents, canopies, sets, props, or lighting. Areas that are permissible for these activities include graded, cleared, paved, or mowed areas without sensitive habitat(s).

7. Helicopter landings and/or takeoffs, heliports, and helistops are strictly prohibited within Coastal areas.

8. The permittee shall obtain, and abide by all provisions of, an encroachment permit from the Department of Public Works for all activities within and impacting the Right-of-Way, to the satisfaction of such department.

9. The placement of any structure, equipment, or vehicle underneath or within five (5) feet of the canopy or fifteen (15) from the trunk of any protected tree is prohibited. Do not pour or empty water or any other liquid around the base of any native or protected tree.

NOT A PERMIT

10. The dumping, emptying, or discharge of any material, substance, or liquid into a stream, creek, or drainage course is prohibited. Drainage courses include dry channels and any paths that run downslope into the drainage course or channel.

11. Spill containment shall be placed under all vehicles (historic vehicles, prop vehicles, construction vehicles) and generators on site. Spill kits shall be made available in easily accessed locations on site for immediate spill cleanup.

12. The painting or coloring of any existing vegetation is prohibited.

13. For "greening" of the set, only artificial plants may be used. The use of non-artificial plants is prohibited without prior County approval. All non-artificial plant material must be certified pest free. The use of invasive plant species is prohibited.

14. Smoking is prohibited (cast/crew/filming included). Fire Extinguishers shall be maintained on the premises at all times.

15. During nighttime filming, set or strike activities, all sources of lighting and sound shall not trespass onto neighboring properties. All lighting and/or noise associated with Filming activities shall cease after 10:00pm unless otherwise modified by permit.

16. All lighting shall be fully shielded and pointed downwards. Night lights are prohibited from directly shining on to active bird nests or any other sensitive habitat.

17. Do not remove, damage, or impact any bird nest or animal den, including lighting impacts.

18. Trash receptacles shall be secured to prevent access by wildlife.

19. Continuous or sustained noise over 60 decibels (Normal Conversation Level) is prohibited near sensitive habitat and wildlife locations, such as active bird nests or animal dens.

20. Any wildlife or animals used on the set or for filming activities must be properly contained. Animal waste must be properly collected and disposed in trash receptacles and hauled off-site. Animal waste shall not be allowed to discharge or drain into streams or drainage courses. All wildlife and animals used must obtain all necessary authorizations and permits from applicable agencies including, but not limited to the Department of Fish and Wildlife, Animal Care and Control, etc.

21. Any person who performs or undertakes development within the Coastal area that is in violation of the Local Implementation Program may be civilly liable and may face fines not less than $1,000 per day for each day in which the violation persists.
